Description

Meticulously maintained with a new roof July 2024! Welcome to this lovely and spacious home in a quiet neighborhood yet close to all the amenities you'd expect, restaurants, shopping etc. Oh and easy commutes made possible just 2 miles away from the highway. Enjoy formal living and dining rooms along with family room or in home office with bar area and an eat in kitchen with walk-in pantry! This home boasts a ensuite bath in the spacious primary bedroom with sitting area. Includes a separate shower from the jetted tub and dual walk in closets! Step outside to the back patio and enjoy a newly fenced and manicured yard for your enjoyment. A 2 car garage has an extra workbench area and additional storage to complete this package.
